

Assembly guide for Roll Banner

Please read these instructions carefully

Remove three part collapsible pole from inside back of base unit and assemble. Take care not to trap fingers in between pole parts while doing this.

Push pole firmly into hole in base unit making sure it is all the way down.

Pull on the pole to tilt the unit towards you as you pull the graphic banner from the base unit. The hook on top rail fits into top of pole holding graphic in place.

Swivel out both small feet from underneath base unit to ensure stability of unit.

To take unit down after use.

Swivel stabilizing feet under the base

Holding pole from behind tilt unit towards you until you can remove the hook from top of pole. **Keeping hold of top rail** slowly allow the graphic to roll back into the unit.

Remove pole and pull the sections apart, folding into three.

Replace pole into slot in back of base unit

Replace unit in carry bag.
